THE LEADER IN ONLINE EDUCATION

MASTER OF SCIENCE IN MANAGEMENT

(MSM)

WHY OUR PROGRAM?

The Master of Science in Management (MSM) program is ideal if your career path includes the management of people in complex, dynamic organizations that compete locally and globally. Grounded in the knowledge base of the well-informed manager, you will practice new ways of seeking and acquiring course-related knowledge, synthesizing information into models of effective practice and communicating your learning in ways that may positively affect the organizations in which you work.

DEGREE/PROGRAM ACCREDITATIONS:

The Master of Science in Management degree program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

CREATE A FUTURE OF SUCCESSFUL LEADERSHIP

At the request of major New Jersey employers, Thomas Edison State University (TESU) designed the Master of Science in Management (MSM) program as an academically rigorous and practical educational experience for seasoned managers who demonstrate a promise for growth and advancement.

The MSM program focuses on organizational leadership and integrates real-world management theory and practice. You'll explore areas critical to managerial success including organizational understanding, effective resource use and managerial self-development.

AREAS OF STUDY

You may also specialize in one of the following areas of study:

- Accounting
- Organizational Leadership
- Project Management

PROGRAM ADVANTAGES

- All courses are offered completely online and structured in an eightweek format
- You will be challenged to extend, redefine and enhance your managerial understanding
- Tailor your degree program to provide additional depth in a focus area of your choice

"Personally, one of the reasons I chose Thomas Edison State University was because of its affiliation with the New Jersey Urban Mayors Association. As the business administrator for an urban city, I was afforded the opportunity to network with others in my field while gaining insight into various policy initiatives that are relative to the city and state."

Linda D. Peyton, MSM '16
